USER MANUAL

Package content

Sirius 65W power adapter | 3A USB type-C to USB type-C cable (6ft) | User manual.

Product overview

Thank you for choosing Eggtronic Sirius 65W power adapter. Lightweight all in one power source for ultimate portability. Great for travelers and commuters. The Universal laptop and smart device charger is perfect for charging most mobile devices. Please read the user manual before using the product.

Instructions

1. Insert the included cable in the power adapter.
2. Open the folding prongs correctly and then plug the power adapter in the socket.
3. Insert the plug on the other side of the cable into the laptop's charge port or into the charge port of any compatible device you want to charge.

COMPATIBLE DEVICES

For non USB-C compatible devices, visit store.eggtronic.com for additional compatible tips and cables.

NOTES

Technical specifications indicated here may be subject to change without notice in order to improve product performance.

ALL IN ONE CHARGER

Charge all your electronic devices, including laptops, smartphones, tablets, in a pocket-sized form factor.

Safety information

Please read this safety information carefully before using the product.

- Do not damage the charging cable. Doing so may cause electric shock or fire.
- Keep the product away from hot surfaces and sharp corners.
- Do not carry or drag the product by the cable.
- Do not use the product if one or more of its components are damaged or faulty.
- The product contains electronic parts. Keep your device dry. Humidity and liquids may damage the electronic circuits of the device and may cause electric shock and fire.
- Handle the charger with care. Do not drop your device. It may get damaged or may malfunction.
- Do not disassemble, or repair your charger. Any alteration or modification may void the manufacturer's warranty. If your device needs servicing, contact the manufacturer.
- Do not modify the product in any way. Any modification may increase the risk of injury.
- Do not bite or suck on the device. Doing so may damage the device or result in an explosion or fire.
- Children may choke on small parts. If children use the device, make sure that they use it correctly.
- If you notice strange smell or smoke coming from your device, stop using it immediately. Continuing to do so may result in fire or explosion.

- In the event of a cell leakage, don't let the liquid come into contact with skin or eyes. If contact has been made, wash the affected area with water and seek medical attention.
- Do not use the device for anything other than its intended use. The device may malfunction or may cause an electric shock or fire.
- Don't leave the battery on prolonged charge when not in use.
- Never dispose of the device in a fire.
- Avoid exposing your device to very cold or very hot temperatures. Extreme temperatures may damage the charger and reduce the lifespan of the device.
- Do not throw away the product with the household trash. The product needs to be recycled and disposed of responsibly.
